PAYMENTS GATEWAY

Our payments gateway combines **acquiring capabilities, numerous alternative payment methods and online-bankings** across multiple locations with a wide choice of currencies.

GT enables eCommerce clients to **accept payments from and issue payouts to customers** using our technological innovation within a single unified integration.

GT gives an **individual approach to each partner** offering a variety of custom-tailored products, features and technologies to simplify and secure the payment process for consumers on any devices.

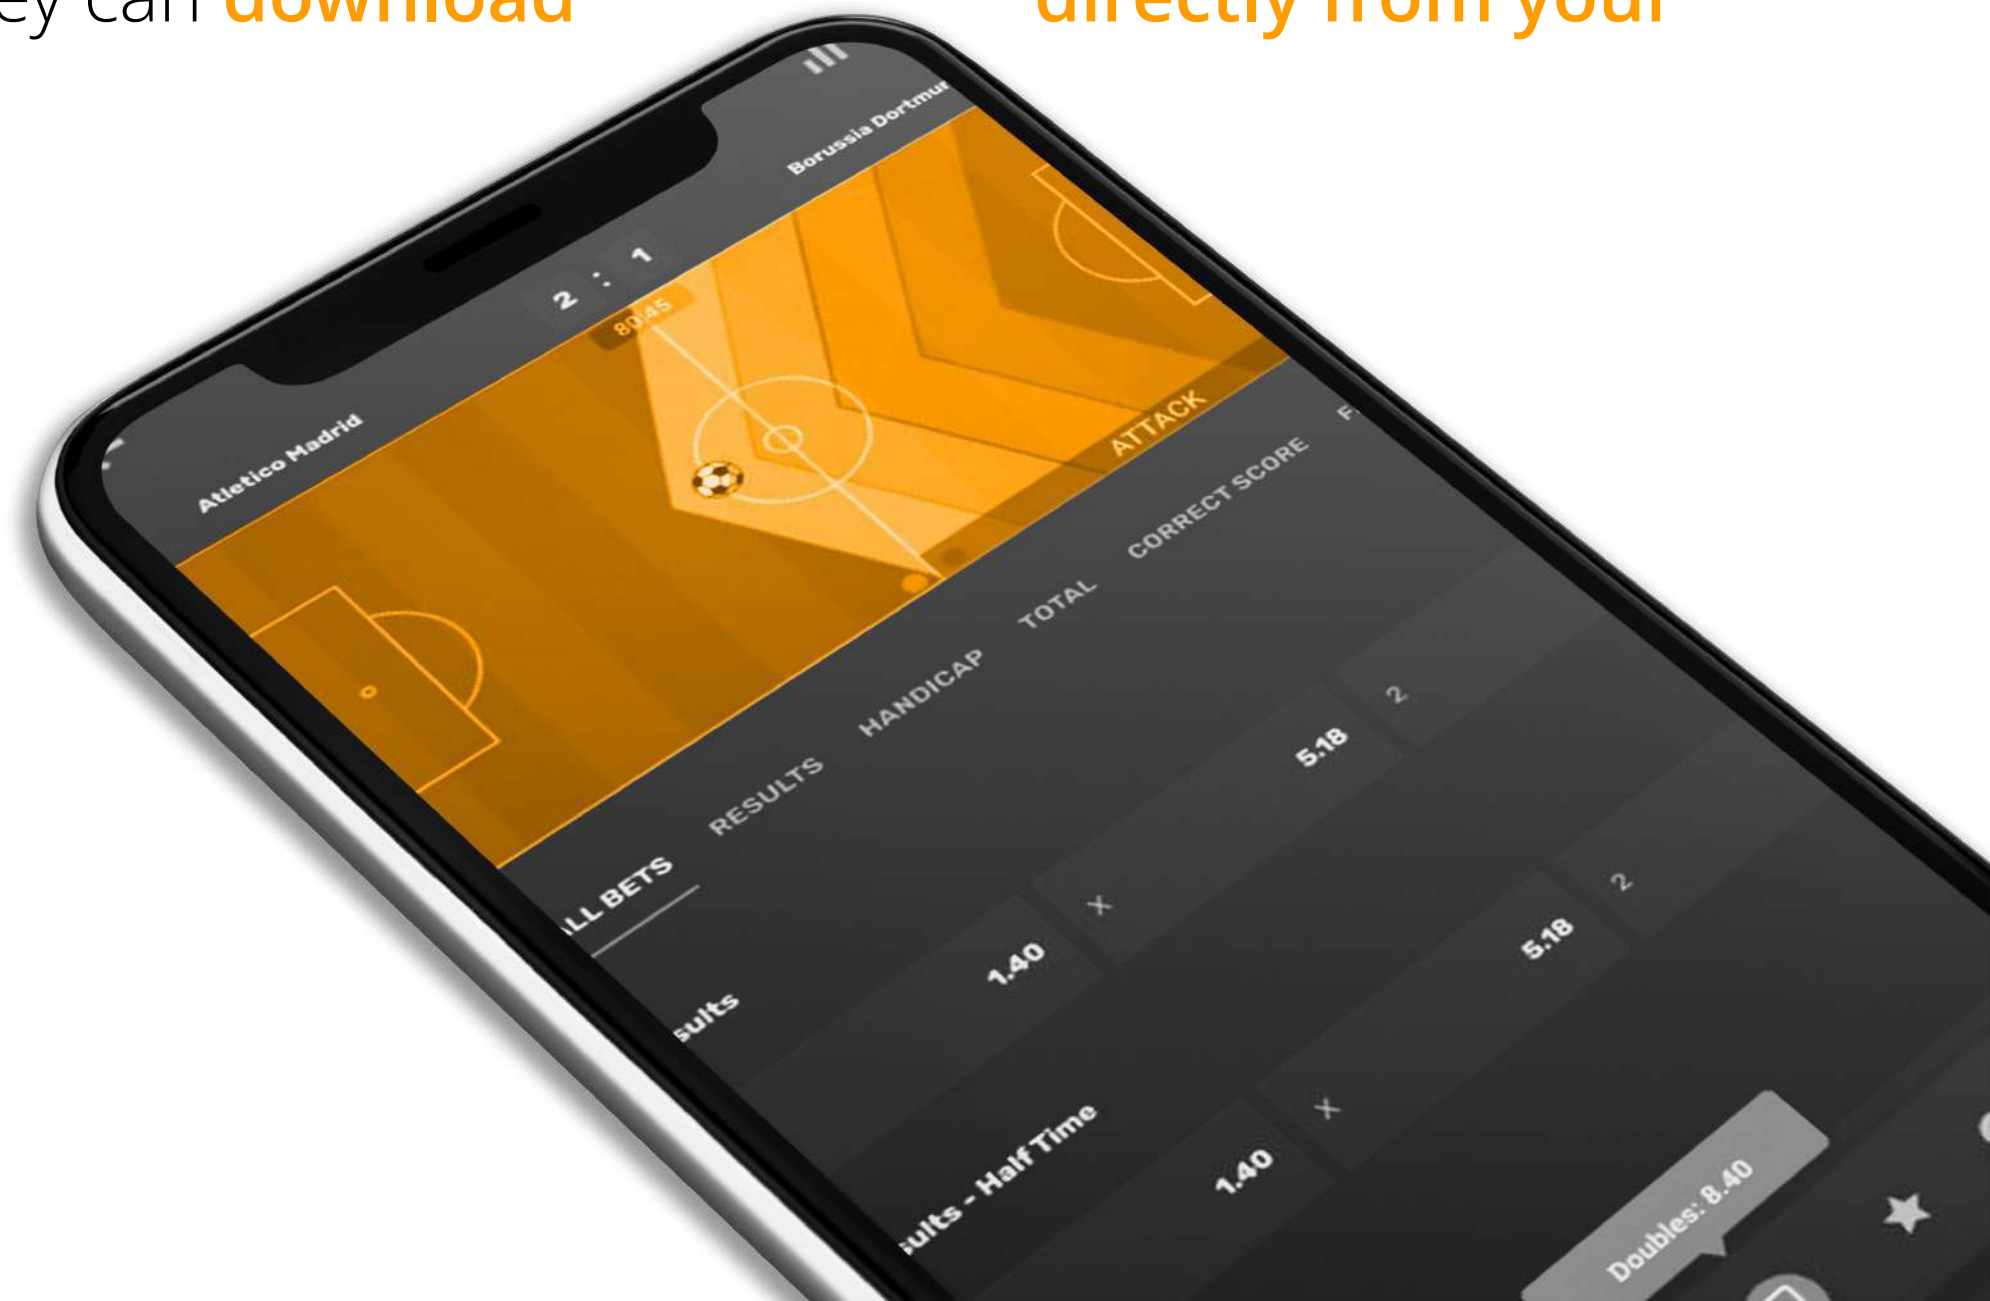

- ◆ 15+ countries in operation
- ◆ 100+ supported currencies

More than 200 PSP integrations to ensure you can choose the right payment process for your business strategy.

PWA APPLICATIONS

Smartphone users are a large and ever-growing audience. At the same time, application stores have limitations. Using **Gamersterra**, our partner **can produce** (adapt by wrapping) **an application, deliver it to a client and update the applications** without publishing it in the AppStore and PlayMarket.

There is no need for your players to download native apps for all the different OS's — they can **download** **directly from your site.**

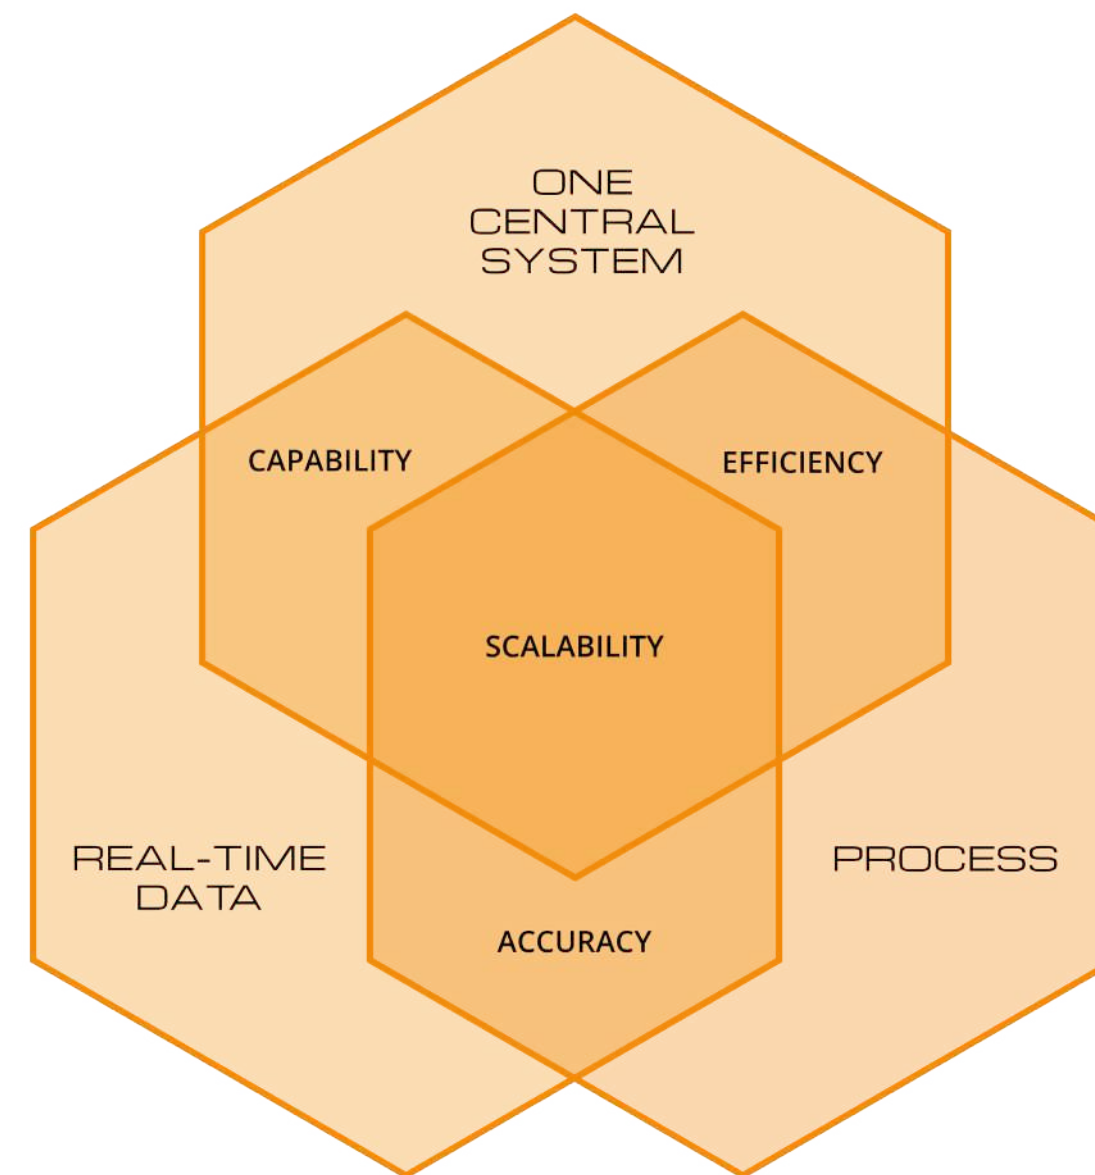

RESPONSIVE DESIGN

Our websites have an adaptive design for both **mobile and desktop** versions.

ADVANCED CRM SOFTWARE

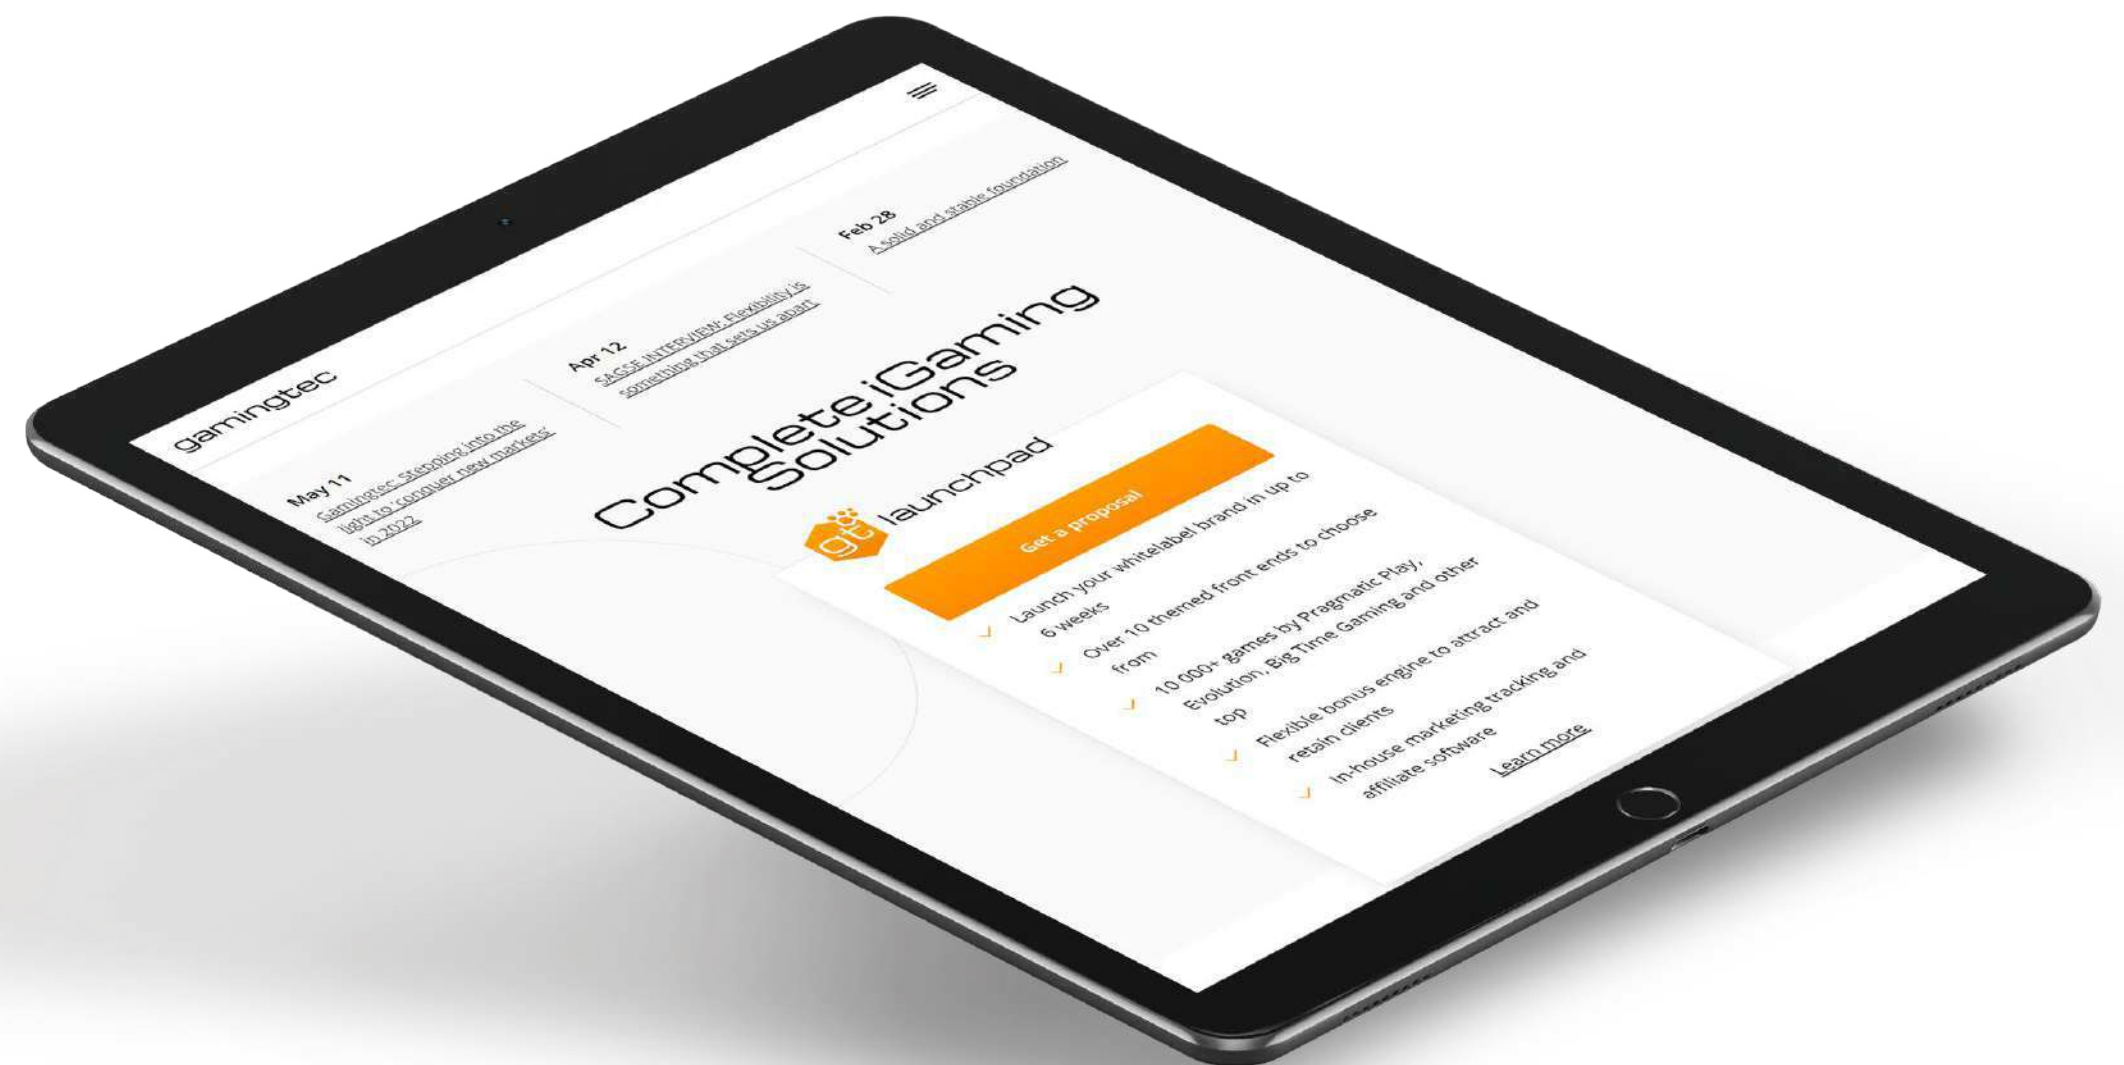

- ◆ **Multi-channel and automation capabilities** beyond any other engagement platform.
- ◆ **Accuracy with real-time data** can reduce your bonus cost by 5-10%.
- ◆ **Increasing productivity** of operational teams by 60%.
- ◆ **Scale fast and without fear** of regulatory penalties.
- ◆ **Banish tech backlog**, outsource new service integrations.

AFFILIATE SOFTWARE

Gamersterra can provide its **ever-developing in-house affiliate software** that allows you full control over link structures, tracking, and other aspects for reporting. We **also support other 3rd party affiliate software** should you prefer it.

Partner can take full control over bonuses or allow the Gamersterra support team to handle it.

Why choose GT Turnkey?

- ◆ **USE ANY BRAND**

Whether you want to launch a new brand or build upon an existing one, the solution is tailor-made for it.

- ◆ **FLEXIBLE AND MODULAR**

The solution is based on a modular approach whereby your brand can be made from scratch or integrated via any combination of our GT products or your own.

- ◆ **TOP INDUSTRY SUPPORT**

We work with partners, not clients, providing complete support through the entire integration process, ensuring an environment of success, even after the launch.
